Active Adult Leaders –

Committee Members should have the opportunity to fill different positions. Committee Members will be limited to 3 years in any position. A Committee Member may remain in a position longer than 3 years if no qualified Committee Member is available to fill the position.

Assistant Scoutmasters taking a committee position will have a vote on the committee.

The Scoutmaster, being in charge of the program, will have a vote on the committee.

In order for adult leaders to have their BSA Membership Dues paid by Troop 286 they must meet the following standards:

- Committee Members must
 - attend two committee meetings per year
 - participate in two boards of review
 - hold a committee position
- Scoutmaster must participate in more than 80% of troop activities.
- Assistant Scoutmasters must attend two troop meetings and help with two activities per year.
- Adult leaders have 2 years from being registered with the troop to become fully trained per BSA standards for their position.

Adult leaders not meeting these requirements will be expected to pay the BSA dues themselves.

Exceptions can be made by committee approval.
