Treasurer's Report

We have \$11,276.69 in the checking account as of the end of May. (Summer camp will be paid in June.) Washington trip expenses are probably finished coming in (possible exception for PA turnpike tolls), but should be well under budget (maybe upwards of \$30 per person). Normally we refund for this.

Generally we're running under budget at this point.

Fundraising - Candy Bars - \$30

Bottle Return - Linda reported that flyers were given out on Saturday. Pickup was completed on June 13. 11 Scouts participated and a total of \$1,056.55 was collected in cans, bottles and donations. Each Scout earned \$96.05 for their scout account.
